ANA 2 Presets Vol 9 Techno-SYNTHiC4TE

bluffmunkey and ana 2 lead designer phil johnston have generously created this monster of a preset pack. it contains 192 presets for eurorack, kontakt, omnisphere, reaktor and rx4. you can use it for your next film score, electronica, hip-hop, dance, instrumental, dubstep, pop or orchestral production. there are classic synth sounds from the minimoog, juno 106, polysix, ob-6, ob-8, jx8p to modern synth sounds and you can modulate many parameters to create new sounds. the main difference between synth sound designer bluffmunkey and i is that bluffmunkey creates music while i talk about what kind of sounds i like to hear. we have also created a selection of more techy presets such as woodsy pads, rocky leads, rhodes leads and we have included 5 synthwave synth patches. purple haze australian dream pop synth presets are deep and wide with a whopping 40 presets that span the entire spectrum. looking to inject some of australia s finest dream pop into your production? this battle ready crack-up preset pack is the answer! using synthiak and the izotope vsts, youll be able to drag and drop these ready made and tested patches into your projects. read more dubstep festival pop-synth presets fit perfectly in any melodic tech-house themed beat down. dubstep festival is brought to you by modeaudio, the team behind modeaudio dubstep festival kit. this pack is loaded with dark, hypnotic, uplifting and soulful synth stabs, synths, melodies and intense drum kits. the dubstep festival pack is full of over 100 great sounds, including: live kits, drums, synths, filters, sound patches, kits, drum kits, loops, 1-shot samples, drum fill, fx, fx patches and more! read more 5ec8ef588b
