Q: Is a question about a missing VTC license required to be asked at a StackExchange site? I'm in the midst of a dispute over a missing license with my clients. Rather than advertise this dispute to many other users, I'm curious if it is possible for me to post this question on this site, along with an explanation of my situation. The rules of the StackExchange network imply to me that I am not eligible to ask questions, but since this seems like an important piece of information about the licensing of the software, I'm wondering if there's any way to make this happen. A: It's always up to the moderators if they allow a question to be posted. You can read more about this on [How can I ask a question?](#)
