## **AutoCAD Full Product Key Free [32|64bit] [Latest 2022]**

AutoCAD's user interface (UI) lets users select objects and edit their properties such as color, style, and linetype. It can be used to draw or edit 2D drafting, 3D model, and mechanical (also referred to as engineering) drawings. The 2D feature is also used in architectural and floorplanning applications. Its graphical capabilities make it an ideal tool for drafting and editing 2D drawings. AutoCAD is commonly used by architects, drafters, and other professionals to draw, edit, measure, and manage their 2D drawings.
