Some of the new players are more wicked than others and not all of the new players are middling by any means. The first player is a gem and a real treasure. She is the daughter of the Banker family. Her name is Amane Aoi and she is also called the Tsundere.. Code: Liar Game - Season -1 Never let yourself be a liar; never express a lie. Liar Game is a darkly comic tale of a liar defeated by her own falsity. The 'game' is real - the stakes are high, but only one can be declared the winner. And you cannot have your cake and eat it too, for in this game, there is only one loser: the liar. Cheating and lying are the forces that drive this game, and thus, you must win at any cost or face utter defeat. The Rules: 1. You may lie to get an advantage. 2. You may tell the truth when questioned about a lie. 3. You may leave a scene/area whenever you want. 4. You may turn up as many times as you want until the designated time..
