Armed with the Power Crystal – the symbol of the four divine beings – as well as a map of the Lands Between and the magical sword that can be charged up by imbibing different elements, Kouu and his friends will journey to the crystal castle and uncover the secrets of the missing orbs. There are many different beasts and monsters inhabiting the Lands Between, but some belong to a kind of people who guard the ancient relics that still have some value to the world. If the relics are destroyed, they will plunge the world into darkness once again, and the seven gods who watch over the world will leave the Lands Between forever. This is something
