I am not recapping them or or ranking them. As far as I know, they do not even need recaps to enter for the contest, so I believe they just entered by themselves and I am here to share my thoughts on them as a couple of indie game developers. About the Authors: Elizabeth is a cosplay enthusiast, a mom, and a coffee snob. Her secret phobia is going to swimming school. She currently lives with her husband and children in a small town just outside of Charlotte, NC. Elizabeth is a cosplay enthusiast, a mom, and a coffee snob.
