Features Key:

Character Creation - Make your own character and customize him with various modifications.

Social Networking & Exploration - Go out and socialize with other players. Exploring the world offers a fresh new perspective and leads to interconnections with unique people.

Online Multiplayer - A PS Vita game that offers an online play element, which enables you to connect with other players and plan cooperative alliances.

RPG Action - Experience an RPG action with strong character development elements. Battle alongside friends and influence the fate of the Land Between.

Cinematic Game Features - Team up with others in the My Saga feature, and battle alongside allies on a single screen as your heroes rise up together.

My Saga & Raid - Saga, which is an offline RPG, involves collecting characters and saving them from the Great Vortex on behalf of other players. Raid, an asynchronous multiplayer mode, lets you adventure with up to six players at one time.

Quest System - Mana Points are generated by defeating enemies, breaking open chests, or through completing quests. These points, combined with the skills that your characters have when leveling up, generate SP that can be expended on new skills. SP is integrated into the game world and can even earn SP in battle.

Class System - Characters, save for mages, can level up to become skilled warriors, wizards, rogues, exorcists, and samurai. Every character will also have their own particular unique abilities that can be enhanced through training.

EXCLUSIVE FEATURES:

- High-Resolution graphics and textures
- Enemy Character-Deterring Front Cover - Keeps the screen locked within your field of view when choosing your battles.
- Seamless multiplayer - Easily connect to other players to adventure together and defeat your enemies alongside friends.
- Equip System - Equip various weapons and armor to create a complete play style; during play, create

an active state through equipping items that will allow you to progress in battle with either speed, strength or strategy.

- Character Screen Panel - Display your own character in battle to allow you to easily use interactive dialog boxes.
- Skill Screen Panel - Increase your skill levels through pointing the direction of the current ability of each character and its state of activation.

Q: Where to put attributes? I am a newbie to Angular and I would like to know where to put attributes and how to go about it. Please help me out. X My Title A: Attribute names don't need to be in parentheses. You can do this: X My Title Motion analysis of human locomotor stability in response to sudden perturbations. Disturbances or force fields during normal locomotion affect stability and balance and are thought to contribute to the development of injurious falls. Although a history of falling is a poor predictor of future falls, the response to sudden external perturbations may be a useful clinical tool for fall risk assessment and fall prevention. This project was designed to understand the instability response to external perturbations during upright stance
