- Make the Hero You want in the Game - MIGUIRE Game God, are you just making a game? Great, go right ahead. I couldn't imagine a more insane RPG setting, and I'm all for it. I want to play a game of this caliber in my life. Oh, you have a roleplaying game of that caliber? Sure you do. Man, I want to play that game. I feel like these are good things to be saying, but do we have a place in the game for the kind of things I want to say? Well, I don't see why not. What's with these random NPCs... Are they supposed to be threatening? One minute they're just a big caravan of harmless people. The next minute they're pointing these things that look like giant towers at us and start shooting. Oh no! I'm squishing an innocent NPC in my hooves. That's enough, just get out of that. I'll take that guy with my spear. I don't know, that first NPC looked like a pretty big threat. Hey, you look like a strong man. Why don't you work as a mercenary? Oh, yes, that's a perfect fit for me. * * * Game God, are you just making a game? Great, go right ahead.
