This unique feature has been added to FIFA 22 as a new, free-to-play Player ID licence. Players can download the new Player ID from the game's news page. They will then have access to a new, entirely customizable face, which allows every player to display their unique style and features. Using the Player ID will also grant access to a unique, in-game player card that is created based on data collected from the player's real-life movement. HyperMotion technology is also available for players who already own FIFA 19. The Player ID will be added to players' existing player cards and will be displayed on screen using the same, custom-made customizable face. HyperMotion technology is also available for players who already own FIFA 19. The Player ID will be added to players' existing player cards and will be displayed on screen using the same, custom-made customizable face. FIFA on Xbox One "FIFA on Xbox One" will be released worldwide this October, coinciding with the launch of FIFA 22. Four new features are being added to FIFA on Xbox One to enhance the FIFA Ultimate Team experience. First, in "FIFA on Xbox One" mode, the big match toolbox will show all the game modes you can select to play any game in the "My FIFA on Xbox Live" section. Secondly, the new "Quick Draft" tool will speed up the process of setting up custom "My EA SPORTS Football Club" or "My FIFA on Xbox Live" teams. Before, you'd have to select the player you wanted and then wait for the game to load their profile. Now you can simply select the number of players and choose their positions. Then, we're adding "FIFA on Xbox One" to our list of "My Club on Xbox Live" clubs. This means that all the players in your "FIFA on Xbox One" "My Club on Xbox Live" team are able to be accessed by your Club on Xbox Live team automatically. Plus, all the players that are added to your "FIFA on Xbox One" team automatically synchronise with the Xbox Live My Teams section, so they're also available for you to play online. Finally, all the players from your online My Teams section will synchronise with your "FIFA on Xbox One" team automatically, so they can now be played in the "My FIFA on Xbox Live" section. EA SPORTS has announced a huge
