FIFA 20 ULTIMATE TEAM is back in FIFA 22 with tons of new ways to win and compete. FIFA 20 FUT Champions combines the strategy, competition, and customization of real-world leagues into a single free-to-play competitive football game, with a user interface that allows players to easily track their progress, compete in a league with friends, and earn rewards. The Championship Edition of FIFA 20 FUT Champions includes new gameplay features, with new challenges and rewards for players who improve their skills and progress through the game. FIFA 20 FUT Champions also adds a league system, which allows users to join one of six leagues with up to 100 ranked teams, inviting friends, earn rewards, and compete in Play-Offs to qualify for the FIFA 20 Champions Cup. FIFA 20 Showcase is an all-new mode where users earn digital content by completing challenges in Showcase based on skill. Challenges are completed by achieving missions that come in four different categories: complete a large number of matches, collect a large number of stars, earn a large number of coins, or utilize a large number of dribbles. Players earn digital content by completing tasks and challenge sections that boost their performance to earn stars, coins, and objectives. New challenges are added on a regular basis and collecting digital content unlocks new teams, new players, and new tactics, as well as new item packs, fully remodeled stadiums, and brand new international kits. FIFA 20 The Journey is a historical collection of trailers that show how the Story Mode in FIFA 20 was created. Including stories of how the game came about, and the key moments in the development process. FIFA 20 is now available on the App Store and Google Play. Stay tuned to FIFA.com, @FIFA on Twitter, and #FIFA20 on Twitter for the latest FIFA news.
