## **What's new in Fifa 22:**

- **New game modes: in club mode you'll have more than ever ways to achieve your goals, including a ball physics engine to go all-out in attack, or create the ultimate defensive lineup at the knockout stage of an international tournament. If you're a manager there's now a new way to combine your player's skills: score a free kick!**
- **New clubs: management of your team will be more immersive, with the list of features you have access to in the clubs menu being expanded to show further details about your team and its players. Your local members who live nearby can join in-game tournaments and events to help earn extra boot camp cash and United Kingdom transfer flair points.**

## **System Requirements For Fifa 22:**

Official Exclusives - SOLD OUT Kev, Simon and Rich talk with Ian Marsh, Head of Planning for Avalanche Studios. We discuss how the team are creating their own game engine, the reasoning behind splitting the production into two projects and how they plan to make it. We also talk about their collaboration with Bohemia Interactive, which has been ongoing for some years. Please keep the discussions of the development on the forums constructive and please avoid flames and trolling. While we have no plans to add to this thread and we can't cover all the questions, we have a lot
