Most Recent Divorce in the family is an emotional situation for both the husband and the wife. If the wife is addicted to drugs and alcohol, things get really bad and she may end up murdering the husband. If he is not able to leave the house for work and he is not sure if his wife is capable of taking care of their children, he will be on edge. In such a situation, it

becomes really tough for the husband to know where to draw the line and what to do. Here are a few suggestions to help you understand what you can do to protect yourself and your family in such cases. How to Protect Yourself from the Wife's Unconscious Motive: 1. Tell someone about this issue to vent and discuss the matter with them. People can feel uncomfortable hearing about problems in their own family but when you get support you can know what to do in such situations. It could be your brother, sister, father, mother, or good friend. You do not have to go to the police but do tell someone about the problem. 2. A good friend can help you. In a situation like this, you can't take a loved one's advice. However, a friend can help you to understand where your marriage is heading and how it is affecting your children. 3. You can take legal action if you believe that your wife has put your children's life in danger. It is advisable e79caf774b
