If \$a\$ is positive integer and \$r\$ is a positive integer then the following is true: $\frac{a^r}{a^{r+1}}$ Is there a closed form solution for this problem, if so, could you please give an example? A: $\frac{a^r}{a^{r+1}} = 1 - \frac{1}{a^{r+1}}$ $\frac{1}{a}$

License Serial Number Nch Software Converter

High speed -The quality of a PDF conversion can be dramatically improved by eliminating round-off errors in page numbers, bookmarks, text, and character or picture positioning. Fast conversions means that your end product will look a lot more like what you see on your screen. Editing options -NCH Switch provides various tools to refine PDF outputs, such as copy and paste, text box, image screen capture, and any other editing functions, so that you can easily achieve the ultimate PDF format from your input file. Microsoft Office compatibility -Microsoft Word, Excel and PowerPoint can be directly integrated into NCH Switch's PDF output format. There is no need to install and maintain Microsoft office. With the help of Microsoft Word, you can easily export your data to pdf format. Stable -The file conversion process is stable, and it eliminates any chance of file conversion errors. This is particularly important when you are dealing with critical data for business or legal reasons. Easy set up -NCH Switch allows you to use any word processor program (such as Microsoft Word or Adobe Acrobat), which you normally use for editing, to convert your data into PDF format. So, it is really easy to set up. Get pdf converter 6.0 free This is especially helpful if you need to get a pdf file from an application, such as Excel or PowerPoint, because the program can export the file as a pdf document. Also, you can use an Adobe Acrobat or any other Adobe application to read the document and extract the data. The pdf-to-word converter program also supports the import of.txt files. The program supports the Adobe Portable Document Format, that is, PDF files. You can automatically convert a document into PDF, which makes your work even easier. NCH Software support As you might know, there is a fee of \$99 for the version of NCH Switch that supports the ability to convert files. You can have a free trial version so you can check how the program works and see if it meets your requirements. When you download the trial version, the software offers a 60-day refund guarantee. However, some limitations are in place. For example, the software cannot process the file sizes greater than 50 MB. If you want to use the converter for any personal or business purposes, you need to get a license to be able to extract data from these files. Also, you can use the program only once every 90 days e79caf774b

Each li element is dynamically created based on a user's input. I need to change the color of the li element that was clicked by changing the color of the span element that is generated using the click event. I am using .next() to find the span element and change the color of it. This is not working. HTML: menu1 Stuff menu2 Stuff menu
