

## MKV DTS To AC3 Converter V2 2 Cr0nus Rar

your favorite video will definitely be in de tter video form because it is able to help you save the time you have spent by carefully converting mkv video files with dts audio to mkv video files with ac3 audio with the least bit quality loss. the program provides you with a comprehensive video converter that can convert video to nearly all common video formats you need, such as avi, mp4, mov, flv, wmv, mp3, aac, aiff and so on. it is also an integrated audio converter that can convert audio files, such as mp3, wma, aac, flac, ogg and so on. the user-friendly interface makes it easy to use. similar to most other windows multimedia conversion software, it is able to convert audio and video files between different formats. however, this application is with the basic functions for both multimedia files. (e.g., dts audio to ac3 audio, mkv video to wmv video, and so on.) it also allows you to share the converted video files with your friends via wechat, facebook, and other popular social media platforms. after the conversion, you can just simple as drag-and-drop mkv video files or folders to the main window. the program enables you to set the folder/sub-folder where the converted mkv files/videos will be saved. this is very useful, and will not occupy the hard disk space once the conversion is complete. the results of the conversion are very detailed. fortunately, the playback of the converted videos is very good. the only drawback is that you will have to pay for the conversion. the conversion speed is at very good. as expected, the conversion process is very easy.
