public health department has launched a campaign to encourage the residents of the municipality to remember and report to the nearest health center as soon as they feel ill. The Department of Health in the municipality of Phnom Penh and its collaborators have organized the campaign, which encourages every family to make their children, women and men get vaccinated by the calendar months. The ministry of health has formulated a draft policy to strengthen local coverage in order to improve the coverage of

**DESCRIPTION:** Lumina is the most user friendly and easiest to use Windows Manager (Desktop Manager) you've ever seen, well I've

---

seen a few. What you do is simply drag and drop your desired files/applications from the "program files" folder into the "Lumina" folder. The Lumina folder can contain both Desktop Entries (desktop files) as well as Apps (Start Menu Items). In the case of Desktop Entries, click "Desktop Entries" to launch a context menu where you can select between Desktop Entries or Apps from your main "program files" folder. In the case of an Applet, simply double click on the applet
