In this clip we have one of the hottest babes I have ever seen. She has some pantyhose on which lead to some more cleavage. She strips and spreads her ass and pussy. She loves the camera. She gets on top of the chair and shows off her big booty as if its to see how the pantyhose feels. She then spreads the chair open and lies on the chair ass up and she turns her head to the camera and shows more of her ass and pussy. Then she turns over and shows us some good ass. She spreads both her ass and pussy and the pantyhose lead to her pussy so we can see the panties underneath. Then the pantyhose pull her ass up and she pushes it down. Then she brings her hands up and there is a big ass flash when her ass comes back down. For the final moments of the clip we get to see the full ass and pussy as she masturbates. At the end she makes sure the camera has some nice ass shots as she pulls the pantyhose away to see what we saw all along. At the end of the clip we see her strap on a dildo and get a look at her from behind as she fucks herself with the dildo. She sits back down and keeps fucking herself until she finally cums! 6973 views. 4.75 MB.rtd-1.1080-teaser-207479151.amp.mp4.rar.
