I've now enabled 2FA on my account and have 2FA set up. Still, nothing shows in the "My Account" section. What do I need to do to get my "My Account" section to display all of the options? A: At the moment, the Google Play store seems to be broken. I got the following message multiple times: An unexpected error has occurred. We apologize for any inconvenience. We'll try to fix the problem as soon as possible. Google is clearly not responsible for this, as it is a problem on their side.
