This game aims to be a full-fledged traditional RPG. While some elements such as a turn-based battle system and significant difference in level are omitted, gameplay that aims for a satisfying final product will be implemented as it takes account of what has been written in the previous issue. We will provide content that emphasizes the cinematic gameplay, and gradually expand the number of elements. Besides the main game, we will also provide additional items called "sub-games". Elden Ring game: The Curtain Blade A new sub-game that explores the world of the game, and that emulates the history and geography of the game world. We will provide a storyline that mainly focuses on the actions and interactions of the characters and monsters that appear in the main game. We will provide a story that lets you spend a certain amount of time playing in the game world and experience a story that shows you the contents of the world, as well as new content for Elden Ring. Sub-game name: The Curtain Blade Sub-game development period: Beginning of 2020 Supported platforms: PlayStation 4, Xbox One, PC (The details will be announced if this game is selected) Indie Game Manga In order to expand our platform, Tachyon, the product developer of this game, will be coordinating manga authors and game creators who are familiar with game development to develop a manga content for the game. This will be an opportunity for you to enjoy the development of your favorite games and your favorite manga. Elden Ring game: Tamazawa Tamazawa (Tamazawano) is a character who appears in the game. Tamazawa is an adventurer who is not affiliated with the Elden Ring and leads the protagonist on a journey. She is a woman from the east. She was raised in the dense jungles of the middle east, and in addition to the natural ability of her character, she is strong with swords. Of course, she cannot fight very well, but Tamazawa's outstanding physical abilities, such as her speed and strength, will serve to stand up to the main character. Tamazawa game: Adventurer Tamazawa will be part of the main game as a character that appears in the game. In addition to the normal action RPG that has been introduced to the players, Tamazawa is the
