
Setup Is Unable To Find Installation Languages 2021

I have also tried running the installation from a folder. The folder was created by Windows, but I'm getting an error: "Setup is unable to find installation languages in G:\Setup\... Setup is unable to find installation languages in folder. Error 105 Error 105: Setup is unable to find installation languages in C:\Program Files\Microsoft\Windows\ Setup\... I'm guessing that the original e-mail I received had no Subject line but I am not sure about this because I never saw the original e-mail as such. The original e-mail gave instructions on how to solve the problem and I did following them.

Setup Is Unable To Find Installation Languages

When installing a program, I'm getting error 105: Setup is unable to find installation languages in C:\WINDOWS\system32\setup.exe I have tried to run this in the command prompt as administrator but still get the same error.
