Step 1: Go to the download link and you will find 2 downloads. One is for the PC and another one is for the smartphone. If you want to install the smartphone app onto your device, then choose the link that says Apk. On the other hand, if you wish to install the app for PC, then choose the link that says Browser. Step 2: Following what is written on the website, download the QR codes of the apk or the browser for your smartphone or a QR code reader for your PC. Open the links provided on your computer/laptop and take a look at the download page after a successful download. Step 3: After downloading the application, go to your desktop and look for the application folder. From there, copy the application's folder onto your smartphone. Then open the folder and paste the folder into the "Download" folder on the Android system in the device you wish to use. Step 4: Now after completing all the steps, you must make sure that the smartphone and the PC/Laptop are connected to the internet as the application needs the internet connection to work. At times, it can also be a time consuming process so hence in that case, open the website that you are using to download the apk file and make sure that the wifi connection is working. Once you are done with that part, sit back and relax and enjoy Surah Yaseen in Arabic / English and also the voice. Surah Yaseen: This is the tab covering major features of the application. when you click on the particular tab it leads you towards the screen where you can find verses from Surah Yaseen along with translation, transliterations and audio. All three features are provided on the same screen and you need not to traverse between tabs. Arabic script of verses along with translation and transliterations is provided very next to each other. At the bottom of the screen you will find play and stop buttons, which provides you audio for selected verse. The current verse will be highlighted through highlighter.
