Brij Nath is an upcoming Indian Film maker who has come up with a complete unique concept of a society which would be free from any kind of Bollywood propaganda, with a realistic approach towards Bollywood actors. He has brought a revolution to Bollywood by promoting actresses like Kajol and few others who are under-rated actresses or who are new to Bollywood. In his effort, he has even approached many actresses themselves. And in his effort, he has made sure that no actress would not remain any more in Bollywood. The project of Brij Nath contains a brilliant concept of a film, along with its screenplay and dialogues. The film has many interviews with international and local Bollywood celebrities, including some of the most renowned Film directors. The film shows Bollywood actor-actress Kajol, who is among the very first few Bollywood actors who has boldly came out of their compartments and has openly shared about the problems faced by them and discussed about their future.
