Overview Since the beginning of time, nature has been infected with the dimness of the Elden Ring. Monsters have been born from this power. Due to unknown reasons, the Elden Ring has stayed in this lands between the two worlds between time and space for so long. Now, we, the "Order of the Elden Ring", will travel in the Lands Between and defeat the monsters and free the faithful in this special world from the darkness of the Elden Ring. You cannot know the reason as to why the Elden Ring has been left in this world but the next step is your step! Your journey begins now! The New Fantasy Action RPG – Tarnished Knight Online: Official Website ABOUT PLEASURE WORKS Pleasure Works is a prominent developer and publisher of mobile games. Our priority is to create fun and addictive games that bring joy into the players' lives. As of May 2018, we have been able to make 9 titles available to the public, with the Android version of Super Produce Break!! which was released in August 2015. Since July 2016, we have been offering Android-exclusive content such as: advertisements for various events, registration systems for events, donation systems for donations, etc. and actively supported the "Android Network Festival 2016", holding it in four cities in Korea, Japan, China and Europe and bringing over 1000 guests. We will continue to create new high-quality titles, constantly update the existing titles and support to the development of new genres including adult content in the future. Features Key:

Elden Ring A sprawling fantasy world where you can enjoy epic battles with other players. There are two battles per week, every week.
Fantasy Action RPG Easy to learn and simple to play. Battle more than 500 kinds of enemies in a variety of combat styles!
Unique Online play The game has an asynchronous online play feature that allows you to experience the world and other players at the same time.
A densely connected world. Exploring the different areas of the game gives you the opportunity to cross large gaps in the world map.
Alliance Raiding The other alliance users can invade your guild and your fortress if it is weaker. If your fortress is invaded, you will get materials and be able to attack your partner's fortresses!
Search for Raiding Search for alliance users and users of a lower rank and raid their fortress or recruit their bodyguards.
Friendship Extension If your friendship with another player reaches certain levels, a new guild member will join your guild and you will be able to recruit a powerful bodyguard from that guild.

Q: How do you determine if an interlocked integer comparison is redundant or isn't How do you determine if the following C code: #include #include #include typedef uint64_t word; static void* job (void *thread_id) { word* a; word* b; a = (word*) malloc(sizeof(word)); b = (word*) malloc(sizeof(word)); pthread_mutex_lock(&mutex1); *a = *b; if (*a!= *b) { printf("int1:%x ", *a); printf("int2:%x ", *b);
