Announces Plans for 2019 Presentation to Shareholders of Denver-Based Joint Venture; Establishes Strategic Value-Based Benefits to Shareholders Cimarex Energy Co., L.P. ("Cimarex" or the "Company") announced that it has entered into a settlement agreement with the holders of approximately 37.3 percent of the outstanding shares ("Shareholders") of Cimarex, namely 381318888 common units (the "Common Units") of US Energy Partners ("USEP"), a Denver-based private limited partnership organized in September 2008, for such Shareholders to exchange their Common Units for newly issued common units of the Company (the "Exchange Offer"). The exchange and settlement offer is subject to the approval of a majority of the share capital of the Company and no assurance can be given that such approval will be granted. If the Exchange Offer is consummated, the Company will pay to the Shareholders, within three months of closing of the Exchange Offer, an aggregate cash payment of \$46.1 million (the "Value-Based Benefit"), consisting of (i) \$44.1 million payable in cash, and (ii) \$2 million payable in shares of Cimarex common units. The Value-Based Benefit will be paid in cash and the Cimarex common units will be issued in exchange for the Common Units held by each Shareholder. The Exchange Offer, if consummated, will result in a one-time cash benefit to the holders of approximately 15.3 percent of the issued and outstanding Common Units of \$1.8 million
