Fast .The Ravens are gearing up for their preseason game against the Bears tonight, and members of the team said they are counting on the good ol' football karma to bring back the men's best three-point shot at least once during the game. If you're not familiar with the Ravens three-point line, here's a quick primer: When is the Ravens three point line going to be used? The Ravens have debuted the new three-point line in 2017. It's an angled line approximately 10 yards from the basket and is one of the NFL's more extreme defenses at getting to three-point shots, having two players follow the shooter. The Ravens used the new three-point line for the first time in the exhibition opener against the Washington Redskins last week, getting the ball to the rim from the top of the key after a standard three-shot sequence. What does it look like? The official three-point line is straight up and down the court, similar to what's used in the NBA, NBA G League and NCAA. The
