May 18, 2014 â€” ECM Titanium 1.61 full pass=garage... ECU V1.61 2012 is very good for ECU software and card editing with checksum of many modules. ECM Titanium includes ECU V1.62 and newer ECU V1.62 and newer cards and other modules. This software is suitable for EDC16, MEC16, and ME7. It also includes editing features for all V6 and V8 engines. The software can run on both 32-bit and 64-bit versions of Windows 10. This ECU software has a very large and clean design as well as very fast operation which makes it very easy to use.
