
Band Baaja Baaraat 720p Movies _BEST_

i think thats what makes band baaja baaraat interesting. its a film that is basically a rom-com and yet its not a rom-com, its an attempt to get across a more realistic kind of story, that of the hardships and tribulations that most of us have to go through in order to achieve our dreams, and yet we dont really know how to relate to them. these characters dont know how to relate to these situations, thats why they have to learn. komal nahta sir again u wrong band baaja baarat is yet a winner and i amazed that u gave this movi 1star and u gave bkb 2star bbb is far far far far batter then bkb. fresh new jodi, new dir., new story.. and still u didnt gave star sir be honest!! collection raised and u prove to be wrong i dont like that trade annalist wont be wrong but sir i really like ur inputs. but sir plz encourage some new talents. its my opinion sir do u best and yaa my fav is ajay devgan haa so dont be rude with his movie!!!! juzz kidding sir. u doing nice job i never miss ur show bollywood business ok sir byyy. have a nyc day. a rich legacy: band baaja baaraat was remade in tamil as aha kalyanam with nani and vaani Kapoor in the leads role. just like the original, the remake too was produced by yash raj films. it was unofficially adopted into telugu as jabardasth with siddharth reprising ranveer's role from the hindi version. komal nahta sir again u wrong band baaja baarat is yet a winner and i amazed that u gave this movi 1star and u gave bkb 2star bbb is far far far far batter then bkb. fresh new jodi, new dir., new story.. and still u didnt gave star sir be honest!! collection raised and u prove to be wrong i dont like that trade annalist wont be wrong but sir i really like ur inputs. but sir plz encourage some new talents.

Band Baaja Baaraat 720p Movies

Marks are the unspoken fondness for his friend, and the twinkling eyes from the next room when he picks up his cellphone, shows that he too loves the movies. That's the mark of Bittoo's great mate, and that is why while Band Baaja Baaraat zips along, it really does not lose the ability to be a romcom. Its moments of sweet romance, like Bittoo's sweet ways at tricking himself into a dinner party he can't attend, or the fun confrontation with Shruti's male colleague when Bittoo pulls out his notebook to show his designs in the beauty pageant she owns, are more effective than all the slapstick we expect these days. In the end, the film is about doing good. Bittoo stands up for and against the powerful caste he is part of, and refuses to let them take his friend from the hospital, or his job as a photographer. Shruti's love for the hapless man she falls for is touched on too. And while its romance, sometimes we want to see the end of the film where the two of them are together. In real life, they will always have to work out what that really means as they go their separate ways. But one of the many beauties of Band Baaja Baaraat is that it doesn't end at that. It goes on to question how much the dukhka, the pain of existence, is worth. Is being happy always better than being right? Don't be fooled by the title, Band Baaja Baaraat is also a movie about a wedding, but it doesn't deal with wedding halls or wedding planners. It deals with happiness, but it deals with life, too. Band Baaja Baaraat is the kind of film that you will watch over and over, yet it's never the same. We know now that it is maybe a variant of Kajol-Sridevi's *Jab se jhuke*, but it's just so refreshing to see. See for yourself.
