What's New In Ashampoo Slideshow Studio 2019?

The application provides a straightforward platform for everyone who wants to create neat slideshows with transition effects and the

possibility to add music or any self-recorded material. The default UI or take advantage of the helpful wizard to create a new slideshow. Use the transition effects, select a theme and add any music that would match the theme, then hit the record button and record your voice. Use the custom wizard to finish your slideshow.
