Developed by CyberConnect2, the team behind the Gundam games, TARNISHED is a Fantasy Action RPG from the art studio NEW. The Elves (known as the Elden Ring in this game) have been sealed within the Seven Rings for an unknown reason. The power of the Seven Rings was revealed to the Elves and the Elves have been reborn as black shadows that have been called Tarnished by the Elves, but have been thriving in the Lands Between are an inhospitable world covered in salt and what appears to be desert, but its beauty is unparalleled. The Lands Between are the birthplace of the Elves, and a place where the Elves used to be reborn as Tarnished. In this world where the Elves are reincarnated, there is no right or wrong, and the battles of good and evil that are the spectacle of the Lands Between are carried out by the Tarnished. What is the world where the Elves resturn as the Tarnished? A world in which the Elves are struggling for a reason unknown to them, A world where black shadows exist, and have been called Tarnished. The battle between the Elves and these shadows continues to rage in a desolate world. Two days have passed since the start of the war in the forests of Eipha Forest, and the Elves have been making a stand. They have taken the other two Rings from the four Rings sealed in the Seven Rings in the forgotten city of Iron Knight Fortress. However, in the city of Iron Knight Fortress, the cursed Dunkel and a mysterious person called the Black Dragon are also terrorizing the Elves, and have begun to escape with the last two Rings. Who are the Tarnished? Most of the Tarnished appeared in the Forbidden Land of the Elves, which is the origin of the Seven Rings. Dunkel is a fearsome black shadow that is a descendant of the dwarves who were sealed by the Angels. Dunkel is invincible, and as long as Dunkel lives, it remains near the Forbidden Land of the Elves. The Black Dragon is a strong black shadow who has appeared in the Cursed Land of the Elves are surviving despite the countless numbers of Tarnished. The Tarni

Features Key:

Customization: Every living soul can shape their body into a being of their choice. A creation of beauty and grace. When you create your character, you can freely build your own body with a variety of elements, such as wings, horns, tails, and hooves, and then change your hair, eyes, face, eyebrows, nose, lips, cheekbones and so on by selecting colors and luster. In addition, customizations can be made during battle to increase your fighting power.

Flavor System: A content-creation system that lets you freely create and organize the elements of the story that interest you. There are also other details that you can freely create around characters. **Free Exploration:** An adventure in which all paths lead to the Lands Between.

Interconnected story: An epic drama that connects the world of Tarnished, your world, and the Lands Between. By traveling to the Lands Between, you will meet with new places that you have never seen in Tarnished. If you progress in the Lands Between, you will be able to visit the places of Tarnished in the world map of Tarnished. You can even travel to Tarnished's world that will be controlled by strange creatures. You can also encounter special content only in the Realms Between.

Possibility that you might not survive! If you play as a cowardly wizard, you will have no chance of growing.

World Map... Damn it!

When we have released the game we promised that we will improve the world map and we are still working on it. In our alpha version you can see the world of Arkoria where areas are highlighted in different colors. And in the beta version we will also show a version of the world with all dungeons and areas.

Connection to Tarnished Online

In Tarnished you can visit the world of Arkoria from the online feature. You can also visit the world of Arkoria by creating an account in the Realms Between in the world map. In Arkoria, you can see items that you can only find in the Lands Between, and the characters that you can only meet in the Lands Between. You can even

YOUTH MAGAZINE: "...The story is touching, with a big plot that is full of gentle fantasy moments. It's a kind of fantasy that lets you feel as though you're immersed within the story. No matter how you like that world, the music sounds good, and I'm looking forward to the next main characters to be revealed in the game." The Young Folks' Book of Entertainment: "The game starts out with the protagonist looking over a rough landscape with nothing much but a dark tower in the background. There's not much happening here, but as the story progresses things start to get more interesting. The atmosphere in the game goes through some impressive changes as the story unfolds." Shibuya-kei's Anime Blog: "This is how you do a fantasy game. The minute I sat down to play this, I was immediately drawn into the world." RPG-X: "...The story is touching, with a big plot that is full of gentle fantasy moments. It's a kind of fantasy that lets you feel as though you're immersed within the story." RPG-X: "The atmosphere inside the story is quite charming, and the presentation of the game is as gorgeous as you'd expect from a PS4 game. The RPG elements don't seem to get in the way of the game is as gorgeous as you'd expect from a PS4 game. The elements don't seem to get in the way of the game is as gorgeous as you'd expect from a PS4 game. The story it would have been fine without the characters who start as surprisingly weak but grow stronger as the game progresses. The story itself is emotionally engaging, and the variety of the environments is one of the most welcoming and the most fresh experiences I've had in a game in recent memory." RPG-Zone: "It's a long story with many points, and is a story that drags the player in with its fantastic atmosphere and the beautiful artwork." RPG-X: "...I look forward to it, and I hope the developers keep this up." Nintendo Dream: "I want to tell you that it's beautiful, but there's no way to make that kind of claim without seeing it yourself." App Informer: "This game is most definitely wort
